UK Probation and British prisoners abroad

- “ Prisoners Abroad . provide support during sentence
- “ no access to pre-sentence information
- “ no probation resettlement role - except -
- “ monitoring of high risk offenders . public protection procedures

Issues

- “ advantages of NGO vis a vis statutory involvement?
- “ public protection role
- “ attractions of Prisoner Transfer Agreements

Probation work with foreign national prisoners in the UK

- ” sentencing reports = feasible community options
- ” FNPs post- sentence, limited role if being deported
- ” increased links with Immigration Service
- ” provision of risk reports for bail consideration & on EEA nats

Issues

- ” maintain community penalty options
- ” previous convictions via EU framework agreement
- ” Probation needs to be more outward looking
- ” increasing links with immigration
- ” staff training . prison & probation
