

# FOREIGN NATIONALS IN PRISON

London

20-21 October 2014

- ▣ Future strategy / Future projects on FNP
- ▣ How to expand and maintain the network / steering group?
- ▣ How can you assist?

**Goal:** Improve reintegration / resettlement / rights based treatment for Foreign National Prisoners

## **Strategic Results:**

- Better national regulations and practice
- Create awareness on FNP issues
- Information resource
- Increased post-release resources for FNP

# Better national regulations and practice

## Education and training possibilities inside prisons

- European Prison Education Association (EPEA)
- European Prison Training Academies (EPTA)
- CEP/EuroPris expert group on staff training
- EuroPris ICT expert group
- Education for Dutch prisoners behind bars

# Create awareness on FNP issues

## Build and maintain a European Foreign National Prisoners network

- Prison and probation professionals
- Universities / academics
- International ngo's: Salvation army, Red cross, IOM, ICPA
- Country specific groups
- Consular services of embassies

# Information resource

- a) Flyer with information on the Foreign National expert group
- b) Resettlement information
- c) Explore best practices

# Increased post-release resources for FNP's

- Flyer for promoting the work of ngo's in the Field of Foreign National Prisoners
- Revisit existing good practice guide

THANK YOU VERY MUCH  
FOR YOUR ATTENTION!

KIRSTEN HAWLITSCHKEK  
Executive Director EuroPris
