# Technology Enhanced Solutions Throughout Correctional Cycle

Omer Shechter

3M Electronic Monitoring

May 27-29, 2015

Inspired by the desire to make life  
better....

Empowering justice  
Improving safety  
Maximizing efficiency

# Value of 3M Technology Solutions

## Empowering Justice

- We enable Law Enforcement agencies to better fulfill their mission: to protect and serve the public and ensure criminals are brought to justice.

## Improving Safety

- We give Law Enforcement officers the tools needed to improve their safety while performing a difficult duty in an increasingly complex world.

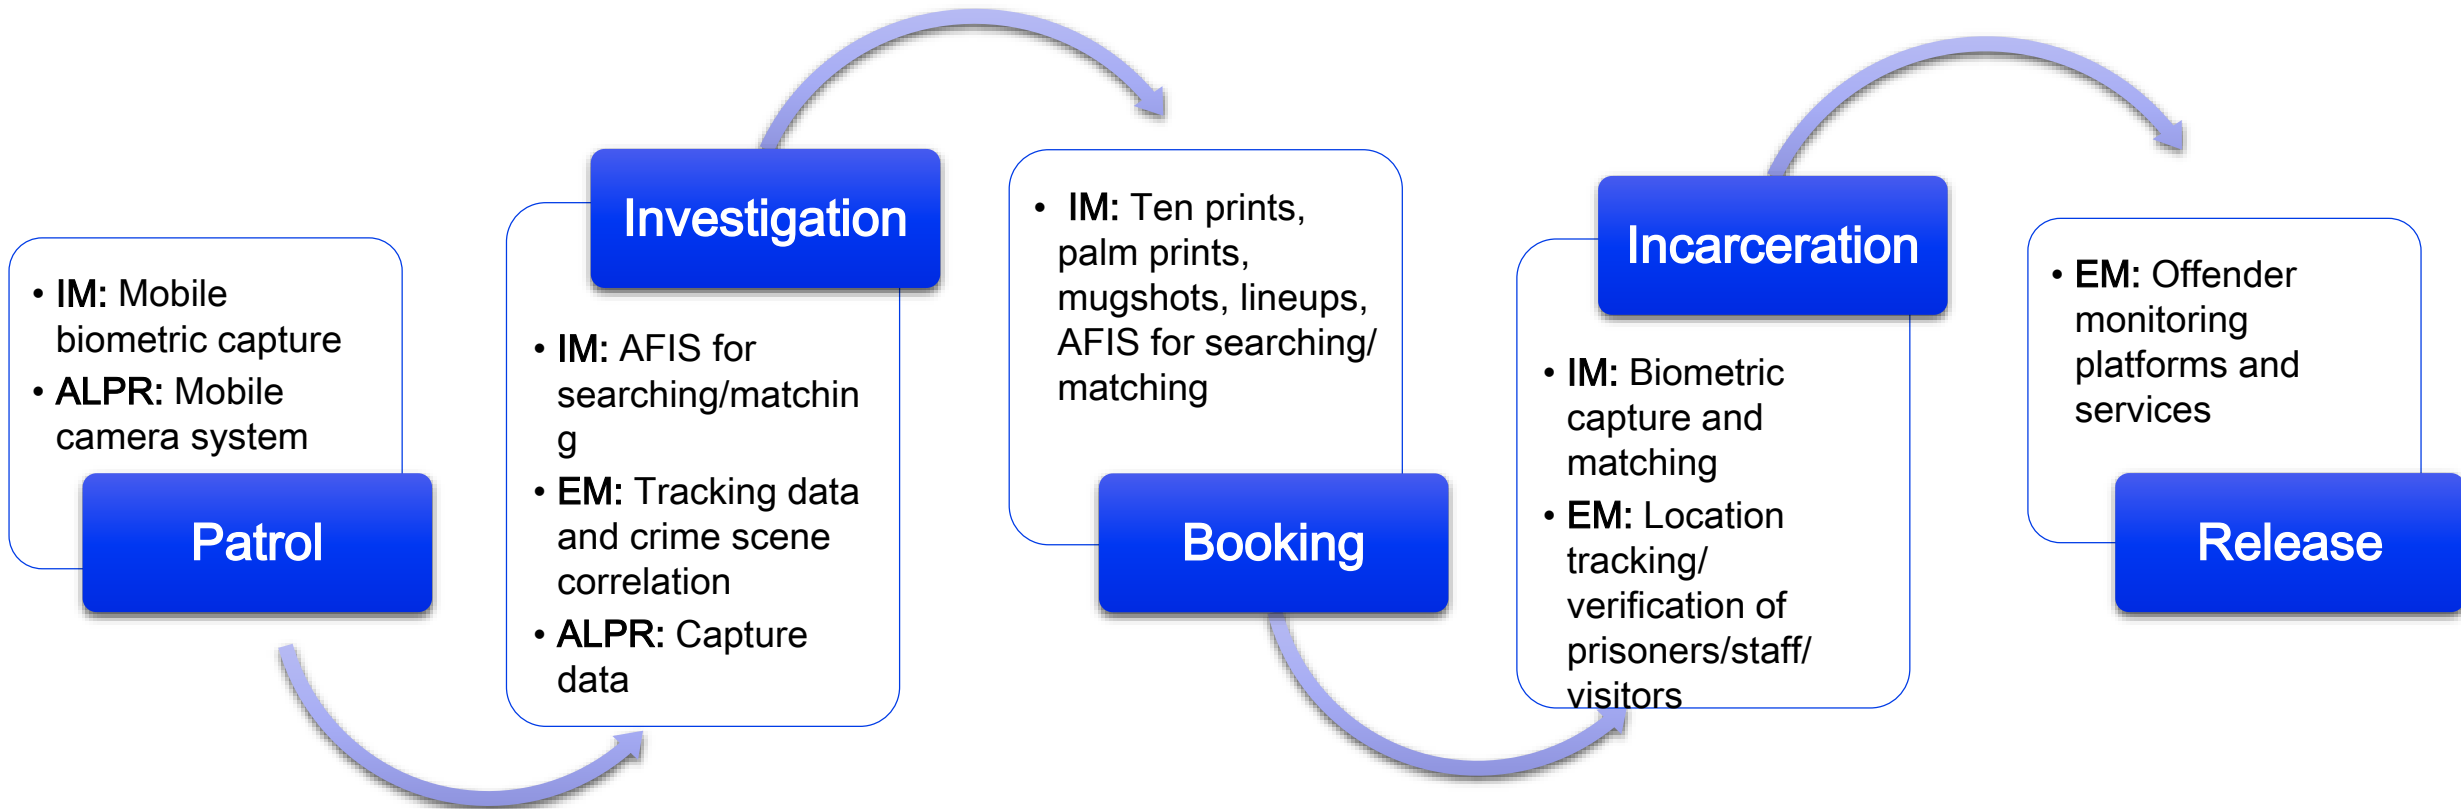

## Maximizing Efficiency

- We offer solutions for more efficient resource allocation and program execution as agencies face budgetary constraints and new challenges.
